EXPERIENCES

Freelancing (2018-2019)

Freelancing

- Freelancing is a form of self-employment where individuals offer their services or skills to clients on a project basis, without being tied to any particular employer or company. Freelancers, also known as independent contractors or gig workers, have the freedom to choose the projects they work on, set their own rates, and determine their own working hours.

Professional Freelancer (2023-now)
